

End Early Stage 1 English – Information Report – At the expected standard

# Cheetahs

A topic has been included

Cheetahs are big cats.

They run fast.

Sound knowledge and understanding of the features of an information report have been demonstrated

They have sharp teeth.

They have black spots.

Simple sentences and descriptive language have been used to give information about the animal

They have furry skin.

## Grade Commentary

Chris has demonstrated a sound awareness of the features of an information report. A title has been included, and capital letters and full stops have been appropriately used. There is evidence of the use of a variety of spelling strategies such as the inclusion of copied words and the use of a word-processing spellcheck. To improve, Chris could vary sentence beginnings and structure, and experiment with complex sentences.

Chris's response demonstrates characteristics of work typically produced by a student performing at the expected standard.
