28th Student Parliament -Stage 3 Camp payment due	

PRINCIPAL'S REPORT 2019

The sun is out! It has been a wild few days. I hope your homes all made it safely through the torrential rain and wind.

Staff Car Park

Just a couple of quick things about using the staff car park in the afternoon. When parking, all cars must be reversed into the parking spaces. This is much safer when parents and carers are pulling out of the spaces once they have their children in the car. It is a busy place and we are always looking at the safety of our students and families.

Secondly, please do not park in the spaces allocated for the principals or deputies, as we are often coming back from meetings.

New Classes

I just want to say thank you to the parents, teachers and children who began in their new classes at the start of this week. Your patience, understanding and assistance has been outstanding.

All classes are successfully up and running.

Updates

Just to give everyone a few updates on some of the things happening here at Tomaree Public.

1. Our garden beds have been put together, and now the rain has ceased for a little while, we can order the soil and get them filled ready for classes to plant. Thanks to Jim and Gary, our wonderful General Assistants for getting this done.
2. Our leaking hall was inspected today and fixed.
3. Our basketball court upgrade is planned for Term 3 as the company has had to push some of their work back due to the weather.
4. Our playground markings are in the same situation as the basketball court, with a Term 3 date.
5. ToPS training for Year 6 took place today, so our 'big looks after little' program will begin next week.
6. We are waiting on our new PBL signs that will be placed at the end of B Block so they can be seen by everyone using Keel Street gate.
7. New Sport House Banners are ordered for the hall.
8. Public Speaking finals and Spelling Bee finals are just about complete.
9. Our debaters have been super busy. Please see Mrs Hill's report on these talented speakers.
10. The weather has played havoc with planned soccer games. Thank you to the teachers and parents for the patience.
11. Student Led Conference information for KH, KO, K/1S, S1M and S1A will go out next week. All other classes have experienced changes due to the restructure and their conferences will be held in Week 5, Term 3.

It has been a busy time here at Tomaree Public

Jumpers

A number of students have been wearing an assortment of jumpers to school. Please note that the AFL jumpers for the local club, although similar to school colours, is not school uniform. If any parents are having difficulty with providing a jumper for their child please come and see me. If your child has lost their jumper, please go through the mountain of lost property outside Block A and see if you can find it.

Earn and Learn

Please keep collecting the Woolworths Earn and Learn stickers. We still have a few weeks to go before the promotion finishes.

Public Holiday

Just reminding everyone that next Monday (10th June) is a Queen's Birthday Public Holiday, and that school will resume for Week 7 on Tuesday 11th June.

Have a beautiful weekend. Our next newsletter will go out in Week 8.

Chris King

Proud Principal, Tomaree Public School

S2T Class News

S2T have enjoyed the past few days settling into their new class. They have all done exceptionally well and I am very proud of the resilience they have shown, as they adjust to the changes in routines and in the organisational aspects of a new classroom. As part of one of our transition activities for this week, we have enjoyed playing a variety of getting to know you games.

We are looking forward to becoming more familiar with our new learning space over the coming weeks. We're also are super excited for the forthcoming addition of our new Promethean board!

Miss Tamsett

TPS PBL Focus for this week is:

PERSONAL BEST

How can I succeed when things seem too difficult?

MERIT CARDS

CLASS				
KH	Casey Benson	Liam Rickett	Noah Beaumont

1C	Alex Holt			

TOMAREE PUBLIC SCHOOL - Kindergarten 2020

To help us plan for next year we need to start collecting information about next year's kindergarten now. If your child turns 5 before 31st July 2020 then she/he is eligible to start school next year. To help us plan for the future years we also need information about all the children who will be starting school in the next year.

Please fill in the form below and return it to me – Ms Donna Abraham at Tomaree Public School.

If you have a neighbour who has pre-schoolers please pass the form on to them or add them to your form.

Thank you for your help

Ms D Abraham

DEBATING NEWS

This year Tomaree Public School has two debating teams.

Tomaree Dolphins	Tomaree Tigers
<ul style="list-style-type: none"> • Cameron Morely • Breanna Rawlins • Jonty Bunny • Amelia Whiteman-Law • Mikaylee Parsons 	<ul style="list-style-type: none"> • Charlotte Shaw • Bianca McEvilly • Rori Doherty • Lani Bishop • Reannah Hyland

In week 5, both debating teams entered into their first debate in the Premier's Debating Challenge. The first debate was between Tomaree Tigers and Tanilba Bay Public School. They did an amazing job taking on the affirmative position for the topic 'Primary schools should spend one afternoon a week teaching internet skills'. Unfortunately, they did not win this debate, however, they were given very positive and constructive feedback from the adjudicator.

The next debate was a Tomaree Public School show down with both teams versing each other. This was a very exciting debate to watch. I was so proud of both teams giving it their all and exhibiting all the debating skills they have learned. In this debate the topic was 'Schools should ban homework' with Tomaree Tigers taking the negative position. At the conclusion of the debate the Tomaree Dolphins were announced the winner for having a more convincing argument.

This week we had Shoal Bay Public School visiting us for two debates. The first debate topic was 'We should ban people under 18 from playing online games like Fortnite'. Tomaree Dolphins took the negative position for this

debate and unfortunately did not win. The adjudicator said it was a tough decision on this debate with both teams having strong arguments. Tomaree Dolphins did such a fantastic job and they should be really proud of their efforts.

The second debate was on the topic 'People under the age of 18 should have to play a team sport on the weekend' and Tomaree Tigers took the negative position for this debate. Tomaree Tigers did a spectacular job on this debate. They showed immense improvement from last week and took on all of the adjudicator's feedback from previous debates and put it into play. They were announced the winners of the debate for having stronger arguments and rebuttal.

Well done to both teams for two wonderful days of debating!

Mrs Tash Hill Minett

PRINCIPAL AWARDS WEEK 6

S3R 	Hayden, Rheannah, Holly, Tyrone, Charlotte	Hayden Rose	For always listening to instructions and completing his work to a high standard.

P&C NEWS

Canteen news- All students will have received the canteen winter menu with some yummy warm additions for the colder months.

Don't forget that orders can be placed and pay for online through Flexischools by 9am each day.

We are very pleased to advise that everything sold in the canteen now meets the Healthy Eating Guidelines which come into effect at the end of the year. We are well ahead of our targets and thank our canteen manager Amanda for her hard work with this.

Due to star rating changes and to meet the required guidelines, honey soy chips are no longer able to be sold and have been replaced with grain waves sour cream and chives chips.

Snap pops are now colour free and come with a 5 star rating and Ice Monies are now a 3.5 star rating.

Don't forget the canteen relies on volunteers to open each day. We are always looking for more help. If you can spare a few hours (9am-12.30pm) even once or twice a year, your help would be greatly appreciated. Contact us via email, tomareepandc@outlook.com

School Banking- Congratulations to the following students who have been awarded with Bronze status for 10 deposits in the school banking program so far this year!

Jasmine Hodgson	Ella Rose Kadiroglu	Curtis Watson
Ava Lobley	Grace Lobley	Kobi Sargeant
Marley Sargeant	Cooper Kerklaan	Ella Niddrie
Jhett Jones	Mia Jones	Maddison McLennan
Skye McLennan		

Thank you Coles- The P&C would like to thank Coles at Salamander Bay for their kind donation of BBQ items and fruit for the recent athletics day canteen. These donations make a huge difference to the overall success of the canteen.

Thank you volunteers- It was great to see so many new volunteers offer their time to help run the canteen at last week's athletics carnival. Thank you to all our volunteers who covered shifts throughout the day.

Our next P&C meeting will be held in the Staff common room in week 8 on Thursday 20 June from 5.00 – 6.30pm.
